Dear *SWALIA (USA) Ltd.*

Please be advised that the property you purchased in 1991 from *Harri Pulwood Co Inc.* was under a Farm Use Value application.

If the property you acquired can not qualify on its own for the Farm Use Value application then the property will be subject to roll back taxes up to five years for the years the seller has enjoyed the deferred taxes under the Farm Use Value application. So that you may understand the situation regarding the property you purchased in 1991, please contact the Tax Assessor's Office immediately upon receiving this letter.

If the property in question, which was purchased in 1991, can qualify on its own for the Farm Use Value application, then the application must be made in the Tax Assessor's Office between January 1st and May 1st, 1992.

Your prompt attention to this office concerning the status of this property will be greatly appreciated.

Sincerely,

Tax Assessor's Office
